PRESIDENTS MESSAGE

WOW summer is over already. I think I say the same thing every fall but it looks like our September is looking great so far. As always Woodbend was fully rented out over the summer and now we are just getting going on our fall events. Keep your newsletter handy so you don't miss out on the upcoming events. Once we get back to our regular routines make some time to come out and catch up with your friends, neighbors and also meet some of the new people that have decided to make the Woodbend area their new home.

I would like to give a special THANK YOU from myself the casino chairperson, and all Woodbend members to the volunteers that gave of their time to help out at our casino fundraiser in June at the Apex Casino in St Albert. This is our single biggest fundraiser for the community and to make it happen we need to fill 26 shifts over the 2 day casino to meet our commitment. As you know it is very expensive to keep the lights on and the building heated so the funds we get from the casino go a long way in helping us with capital projects as well as with our operating expenses. We just got the numbers from AGLC and for our 2 day casino we received \$21,419.25. We will be putting these funds to good use in the near future. So thanks again to everyone that helped out because without you this would not be possible.
