WOODBEND PRESIDENT'S MESSAGE

I am writing this message as 2012 is coming to a close. I hope that everyone has had a happy and safe holiday season and that 2013 will be a new year of hope and prosperity to all. 2012 at Woodbend was a great year with some changes and some upgrades.

We were lucky enough to have gotten some grants this year that allowed us to go ahead with projects that had been sitting on the shelf for a while. We were able to first apply for and get the C.I.P. grant from the Alberta Government. The major projects that we wanted to get done were to add more gravel to the parking lot and redo the signage at Woodbend. Well with the C.I.P. grant we got the ball rolling and then with the help of Parkland County these projects went ahead. The County helped us by donating the gravel for our parking lot, which helped stretch our dollars farther. As with most grants you must match the monies with cash or volunteer time. Also this year the County put cash aside for the community associations to upgrade their signage. So the timing worked well and the monies helped upgrade our sign to the message board that you see now as you pass by Woodbend Hall. This sign is much more efficient and in the future we will be looking at selling advertising which will help raise some money to offset the rising cost of running the hall on a daily basis.

We are hoping 2013 will be another great year and that we will see more of you at upcoming events at Woodbend. Read on and see what's at Woodbend in the coming months and get out and meet your friends and neighbors in the community.

Henry Schmidt

CASINO 2013

We have just received the dates for our upcoming casino for 2013.

This is the single biggest fund raiser for Woodbend and we will be looking for some volunteers to help fill the schedule. Over the two days we need to fill 26 shifts. The shifts cover days, nights and late evenings. Our Casino will be Friday, June 14 and Saturday, June 15 at Apex Casino St Albert, so mark your calendar. If you can help us out by working a shift please contact Henry Schmidt 780 470 0696 to get your first choice. Working the casino is lots of fun and it will give you a chance to catch up with your friends at Woodbend while helping to raise the funds that are needed to run our facility and provide the programs and events to our community.

FREE WIFI AT WOODBEND Thanks to Parkland County we have WIFI @ Woodbend Hall. For access please contact Henry 780 470 0696.
